WILD ROOTS
HOLISTIC LEARNING CENTER

At Wild Roots Holistic Learning Center, we are committed to fostering effective communication between teachers, administrators, and parents for the well-being and safety of our students. To streamline communication, and also ensure efficient management of all students and families, we use the LineLeader app as an essential tool for our school's operation. By signing this agreement, parents acknowledge and agree to adhere to the following policies regarding LineLeader app usage:

ACCOUNT CREATION AND APP DOWNLOAD:

- Parents agree to create an account with LineLeader and to download the LineLeader app on their mobile devices. Notifications for the app must be turned on while your child is present at Wild Roots.
- LineLeader will serve as the main point of communication for teachers, administrators, and parents. Communication will occur through comments on child's profile, and through the messaging feature of the LineLeader app.
- Parents will receive important updates regarding their children's well-being, including notifications for illnesses, accidents, food/sleep updates (for infants only), and emergency notifications. Additionally, parents will receive important updates about the school.

CHECK-IN AND CHECK-OUT PROCEDURES:

- It is the responsibility of parents to check in and check out their children using the LineLeader app's QR Code system or via the primary caregiver's PIN code.
- Failure to consistently check children in and out of the school using the LineLeader app may result in penalties.

PAYMENT PROCEDURES:

- Payments for any school-related fees, including additional programs, will be made through the LineLeader app unless otherwise agreed upon with the administration.
